Warren Technical School
Jefferson County Schools, Colorado

This booklet was written in celebration of the Centennial-Bicentennial of 1976. It was written and published in 1976 by students of Bear Creek High School in Jefferson County, Colorado, under the direction of their sponsor Tom Hodges, a constant advisor Paul Eccker, and principal of Bear Creek High School John Musciano. Over a nine month period the students researched the early history of their area and interviewed descendants of early pioneers of Bear Valley to produce this memorial. A name indicated by "s" in this index was a student.
