

**REGISTER OF MONEY ORDERS ISSUED
AT THE POST OFFICE AT CENTRAL CITY, COLORADO
Commencing 14 September 1901 and Ending 12 Oct 1901**

This register, transcribed by Foothills member Alan Granruth, entries of money orders issued at the Central City, Colorado Post Office.

Information in the register includes the following:

- Date the order was issued;
- Number of money order;
- Amount of the money order;
- Fee for issuing the order;
- Post Office where the order is to be paid;
- Name of the remitter (purchaser of the order).

This index included:

Name of the remitter (purchaser of the order).

Date the order was issued;

Post Office where the order is to be paid.

The primary significance of these records is that they will indicate that a given individual was in Central City on the date specified. The records also indicate the Post Office where the money the money order was to be paid. This could provide a clue as to where the purchaser may have had relatives, or it may only indicate that a bill had to be paid to someone at that location. The original register may be accessed at the Gilpin County Historical Society Museum, Cental City, CO.
